Any missed rehearsals may result in a private lesson at an additional expense. \_\_\_\_\_

I have read and understand that this is a commitment, one that I have made willingly, and for the benefit of my child, and their dance education. I have agreed to be positive, and to work through any differences with a respectful attitude, and in private. I would like for my dancer to receive the full benefit of the company, and all it can offer, for which, I agree to do my part as a parent, by supporting my child, and their team, and allowing the teachers to make the best possible decisions that they can for my child, and to support them in their decisions, knowing that they have my child's best interest at heart.
